

Update to Clients, Friends and Colleagues:

While virtually everything in our lives has been turned upside down, know that Koch & Hoffman, P.A. is open. We are actively servicing our clients and prepared to assist new clients. By phone, video conferencing and email, we are continuing to provide counsel to address your family law needs.

- Our remote networking capabilities allow us to continue to meet our client's needs without interruption.
- Consistent with Governor DeSantis' Executive Order, our office has implemented procedures for enhanced cleaning, sanitation and social distancing.

We are grateful for your trust and confidence while we navigate these troubled waters together.

Be well and be safe!
